## TECHNICALLY SUPERIOR

The Most Advanced Credit Card Lighted Magnifier Made!

- Extra wide magnifying viewing pane
- Superior 4x, ultra-clear, fresnel lens magnification
- Longer lasting battery

- A subtle pale yellow color for discreet use.
- Easy-on light switch that is enlarged and simple to depress (Arthritis Approved!)
- Extremely lightweight for easy transport - Only ounces!
- Dura-bright Light Emitting Diode (LED) technology provides an intense beam of focused white light in front of the magnifying card. You will never need to replace a bulb on your lighted magnifier!
- FREE: Lens protecting plastic sleeve with every magnifier!

**"I just don't leave home without my spare specs card, it fits nicely inside my wallet!"**

**- Arthur Sousa,  
President of Bristol  
Eggs, Rhode Island**

**"The credit card magnifier is so small and lightweight that I didn't even realize I had it with me until I needed it."**

**- Katie Wolf, Elementary  
School Teacher,  
Massachusetts**

### **Our List Of Satisfied Customers Keeps Growing!**

"There were no street lights, no moonlight and it was extremely dark, it's a good thing I keep a spare specs with me at all times"

**- Jennifer Brennan, Jan 16, 2007**

"Without your credit card magnifier, I would not have been able to read my prescription after my glasses broke. Thank you Spare Spectacles!"

**- Malread Horgan, Jan 16, 2007**

"I forgot my glasses and was embarrassed that I couldn't read the dinner menu. Thanks to my magnifying card I was saved."

**- John Chapman, Jan 16, 2007**

".....a card I would never leave home without. "

**- Mike Brophy, Jan 16, 2007**
